The Southern Cross helped guide them on their way,
Guide them on their way, guide them on their way.
The Southern Cross helped guide them on their way,
To the shores of Lyttleton.

The First Four Ships arrived later in the year,
Later in the year, later in the year,
The First Four Ships arrived later in the year,
At the shores of Lyttleton.

The Lady Nugent brought workers by the score,
Workers by the score, workers by the score,
The Lady Nugent brought workers by the score,
To the shores of Lyttleton.

The Pilgrims landed on the shores of Lyttleton,
The shores of Lyttleton, the shores of Lyttleton,
The Pilgrims landed on the shores of Lyttleton,
Just in time for Christmas Day.

They cleared the land to build the Bridlepath,
Build the Bridlepath, build the Bridlepath,
They cleared the land to build the Bridlepath,
On the shores of Lyttleton.

Those Pilgrims tramped across the Bridlepath,
Across the Bridlepath, across the Bridlepath,
Thsse Pilgrims tramped across the Bridlepath,
To view the promised land.

They built new lives on the Canterbury Plains,
The Canterbury Plains, the Canterbury Plains
They built new lives on the Canterbury Plains,
To find their dreams were not in vain.
